What's New In StumbleUpon Toolbar For Internet Explorer?

StumbleUpon is your source for great web pages, just the way you like them. Simply Stumble and you will discover great sites from all over the web. Want to share a page with friends? Stumble It. StumbleUpon Search Engine for finding the best-rated web pages in the world Description: What's New in This Release: Stumble Upon 3.8.10 adds two new tabs: - YouTube: If you've ever watched a YouTube video, this is the perfect place to continue the viewing experience. Even if you don't own a YouTube account, you can still watch YouTube videos on the web. - Best Of: Now you can get a daily dose of great web pages as they are discovered by StumbleUpon members. This is your daily fix of the best content on the web. See StumbleUpon Help for more information about how to use the new tab. Stumble Upon 3.8.10: * Improved YouTube search interface * Add "Bookmarks" tab to Stumble Upon toolbar * Other minor bug fixes FEATURES * See StumbleUpon Reviews for our complete feature list * StumbleUpon is now distributed through the Microsoft Windows Installer. * StumbleUpon is still optimized for Firefox, Internet Explorer 6 and Internet Explorer 7. * If you are experiencing

problems downloading or installing StumbleUpon, please try the following solutions: 1. Make sure that your browser is up to date. 2. If the problem persists after updates, contact your browser's support staff and ask them to update their browser for you. 3. If the problem persists after updates, you can try downloading the StumbleUpon installer directly from the StumbleUpon website. * Try to use the "Save to disk" option, instead of a download manager. * It could be a firewall problem. Try opening StumbleUpon from a different computer, and copying the installer to the new computer (save it to disk) STUDENT VERSION * You can register and customize your profile with your school email. * Once registered, you can use StumbleUpon in an academic setting. * If you are using a school email to register, you will receive an email from StumbleUpon informing you that you need to sign in to StumbleUpon with your school email. * Once you have signed in, you will be able to choose a school ID. You can choose to use your school ID to find and share great web pages, or use your regular personal email to find and share great web pages. * If you choose to use your school email to find and share great web pages, you will be given a unique username and password. You can use this username and password to share great web pages. * Don
