The goal was to bring a little chaos into my home (and still keep it cozy), but I went too far. The same could be said of my Christmas decorating the last few years too... too much. I love the idea of decorating with my family, and I can definitely understand that it's a big event in their lives. But this year, I was overwhelmed with all of the candy canes and Christmas trees and Christmas ornaments I was bringing home. I ended up in the garage, taking out a three-sided Christmas tree. Then I went back in and started putting things away. I took pictures of a few more things that didn't make it into the garage 3da54e8ca3
