You may also want to check out our other great Valentine's Day gifts like the Heart Clock or the Heart Paintings, all of which have real-life value. This screensaver

comes in two versions: the original beat your heart out and beat your heart out - brand new for Valentine's Day. This screensaver comes with the'slice of the heart' which is a special hidden screen saver inside this screensaver. This screensaver is part of our collection of Valentine's Day gifts. If you like the beat your heart out screensaver, then be sure to check out our other Valentine's Day gift ideas as well. Cute little game

where you have to type in a number and then the music begins. If you don't type in a number the music stops. You can hear an occasional hint like '2' '3' or 'A' when you guess. You can start as many times as you like. You have to guess the number by looking at how the music changes. You don't have to know what the correct number is. You don't need to solve a puzzle to win. Click on the icon of an electric light bulb to open up.

Play the electronic piano and type in a number. Click on the icon of the typewriter to open it up. Type in the number and then hit the space bar. Play the music and click on the number for a special animation. You can stop and start as many times as you like, the game is saved after you finish. If you've ever had a giggle at the Pukka Poo Clock, now you can see it on your PC. All you have to do is enter your email address and a password and you
