Welcome to a dark, psychological thriller that puts you in the role of Nikolay, now called Patient #17, who one day awakes in a small reeking cell. With a severe memory loss and a relentless urge to escape, your footsteps will lead you through an abandoned, decaying facility deep in the heart of Soviet Russia. Yet, in the head of an amnesiac Patient #17 there remains a thread of light. Patient #17 is your eyes and ears in the strange and depressing world of the mad doctor, scientists and his helpers, who have "improved" their subjects in order to use them for experimental purposes. Trapped in the chambers of the bodybuilder Dmitri Pavlovich and trapped in the mind of a twisted "scientist" named Konstantin it will take everything you have just to survive. Use the innovative Retrospective Mode to dig through the shadows, to uncover the secrets of your own past. Here are some titles about this project that you may be interested in: Meet our team: Cinemagraphs: Official Release: Availability: The Awakening is currently in Beta Phase in German. We hope to have the full version of the game ready for the PC and maybe Xbox One. We are working on a console version, but as we have to first focus on the PC version, we do not yet know if this will work as expected. In case of any question about this upcoming game, feel free to contact us in English, German or Polish at info@scarymind.pl. Planet Nomads is a chilled out MMO sandbox, in an open world. You take on the role of a nomad: your supply pile is your only home. As you travel over land and sea you have to mine, hunt, chop down trees, gather wood, set up buildings, try to survive, but at the same time watch your surroundings, understand your world, befriend the people or fight with them. Languages support: English Biome SoundtrackDownload Options: Premium or Free: Select soundtracks by climate: Planet Nomads - Desert Planet Nomads - Desert - Created by Ronald Cohen An uncomfortable quiet in the middle of all that. A peaceful calm overtaken by harsh, dry winds and relentless sandstorms. In the deserts of Planet Nomads the winds are a rude introduction to the enemy, to the fear of being stuck in the middle of a raging sandstorm. But as you explore, you will find a more real and in the middle of life and death experience in these harsh landscapes. This is a very interesting soundscape for making a desert experience in Planet Nomads. Find your way out of the desert, find what lies in your heart, and find the place where the sand gets set aside and the stars shine bright in the deserts of Planet Nomads. Planet Nomads - Arctic Planet Nomads - Arctic - Created by Ronald Cohen Understand the nature, understand the seasons, understand yourself. Find your reasons for being in the cold and wild environment of Planet Nomads, where you can drink from the lake and hear the haunting winds from the sea and the silence of the cold. The cold is a good friend in Planet Nomads, so you will find a lot of caravans of creatures, from antelopes to mammoths, be you a bitter old warrior or a young nomad. Find your way out of the Arctic, find what lies in your heart, and find the place where the ice melts away and the sun shines bright in the cold, the frozen wastes of Planet Nomads. Planet Nomads - Rainforest Planet Nomads - Rainforest - Created by Ronald Cohen It's a place which you can disappear in, feel apart from the real world, where you may never return. The place where the climate is so dense that it feels like a black hole. Decide what to do in the rainforest, try to make your

What's new:

OSCC4 uncoats the positive strand of RNA by modulating the enzymatic activity of the helicase PLD and ATPase of the RdRp. Mutations in the *EXOSC4* gene are associated with nonsyndromic RP. Mutations in *EXOSC4* lead to congenital cataracts and juvenile macular degeneration. In addition, depletion of *EXOSC4* leads to a herpes simplex virus type 1 (HSV-1) infection where the viruses causes varicella-like (herpes zoster) infections in affected individuals. The *exosc4* mutation *Ca(HPO4-7)exosb2a[dw]* can complement all *exosc4* mutations from human and *D. virilis* \[@B38-ijms-21-01798\]. Complementation of *exosc4* with the *Ca(HPO4-7)exosb2a[dw]* allele can suppress the phenotype of *exosc4* in *D. virilis.* The *exosome* gene *rna11* mutants of *S. pombe* are sensitive to UV light and osmotic stress \[@B39-ijms-21-01798\]. This results in distorted nuclei and segregation defects in the zygotes. *rna11* can suppress the phenotype of *sch9* mutations including the SREBP pathway, which interacts with the transcription factor TATA-box binding protein \[@B41-ijms-21-01798\],[@B42-ijms-21-01798\]. Mutations in *exosome* are also important for nuclear membrane repair \[@B43-ijms-21-01798\]. The barrier recovery assay combined with RNA-seq led to the identification of the transcription factor NAB3 as a key regulator of nuclear membrane repair \[@B43-ijms-21-01798\]. 3. Nuclear Mitotic Exit in Yeast {#sec3-ijms-21-01798} ===== As in other species, successful reproduction is dependent on cell proliferation and division. In a haploid cell, cell division must be completed before the bud can expand or mature. The mitotic exit network (MEN) is

For sometime when I was playing games I want to create a games similar to Zelda and Final Fantasy series, but not strict, not a fixed game like those games. I want game where you can choose the way you want to play, and every time you play with your own ideas. And at that time I found Diablo-like games. There are many games like Diablo, or if you want to make a game like that you must have the angel so I decide to make an angel like game. The angel looks like a human but it is not a human. How the angel sees you, and what the angel can do, is very different from human. You feel different than human. And the angel will be your friend. And Angel Game is not a fast game so there will be no fast reaction game, but story of this game is simply a love story. Do you want to play a beautiful game with a angel that looks like a human? If you want to play a game like this, please download the game and enjoy yourself. If you are thinking to play a game like this please play this game. Have fun with Angel Game. ♪♪ Play this game ♪♪♪ ***** Game information ***** Game Overall Angel Game is a platform-adventure game that lets you explore the magical and dangerous world of winter. You'll be introduced to a beautiful angel who is at the beginning of his journey. Its time to discover new places and solve the many mysteries that appear in the game. Maybe, there are also people who want to destroy your angel, and only you can save him. Character Overall You can choose among seven different characters, all of them are different from each other in characteristics, so you can create your own and unique characters. With the help of their powerful abilities you can move forward in the game. Story You'll be joining a journey of a beautiful angel, and you'll be making a choice to save him, or not. In the different adventure you will encounter many enemies and traps. Each of them can be a challenge for you, but you must defeat them. Every time when you kill an enemy, you will receive their ring. You will meet new enemies and traps in each of the many stages that you will go through. Game Mode Game Modes There are two types of game modes; Adventure and Battle. Adventure You can choose a character. You can change your build,
