The Lands Between is the new fantasy action RPG where you can experience an unprecedented online community and an epic story. You'll come across never before encountered monsters and become entangled in a world of heroic deeds. Explore a vast world and enjoy an epic drama. The world of the Lands Between is a world where diverse monsters and humans live together and where the forces of good and evil, death and life, destruction and construction exist and develop together. A World with Diversity Due to the passage of time, the great continent of the Lands Between has changed, and the diversity of its races and cultures have intensified. However, as the races and cultures have become diverse, the story has begun to unfold. A full-fledged epic drama of destruction and reconstruction and of the confrontation of death and life is being revealed. An Epic Story The epic story of an everyday hero begins. You are a "Tarnished" who wanders into the Lands Between, giving birth to a new legend. A tale of rising from a demon king's body, of giving your life for the people, and of living an everlasting legend of heroism unfolds. A World of Alive Elements A brutal action adventure where the art of action games meets the art of RPG. With a variety of elements that you can freely manipulate to create your own unique character, and where players can experience a wide variety of game play with an open world. A Story of Fantasy without Constraints The Lands Between, a world of fantasy where you can freely decide your destination, is where the fate of a hero is decided. An action adventure full of surprising battles and a heroic tale of death and life, death and destruction. You can choose to be a hero of the lands. BE THE HERO OF YOUR DREAMS Your story of destruction and reconstruction begins. You were the demon king Halcón, who was born at

Ultima Series Remastered (PS3) [Owned] Description: Back on the PlayStation, No2GAMES brings one of the most ambitious JRPG games ever made to the world's next-gen console. Including remastered graphics for the PlayStation 4, you'll enjoy epic story progression, free-roaming exploration, and a deep combat system that allows players to take on multiple enemies at once. From the studio behind PS2's critically acclaimed Final Fantasy: The Spirits Within, Ultima IX is the next entry in the series and one of the most rewarding RPGs ever made. While following the original story, many familiar and new faces will help you on your quest to restore harmony to the world of Britannia. Classic and perfected: For the first time in over 20 years, the legendary Ultima series returns to the PlayStation. Enjoy a classic JRPG experience in HD, with an enhanced frame rate and new cameras to improve the visual quality. Go anywhere: Explore the entirety of the Ultima world, visiting all the major locations. The Ultima series is known for its beautiful locations, and Ultima IX is no exception. Fight for freedom: The enormous Ultima world has been overrun by dangerous creatures such as the monstrosity known as the Shadow, and now it's your job to slay them. Use the overworld map to explore the entirety of the world and find the best route to reach your destination. Warring factions: The factions of the Ultima world are fighting for supremacy, and it's up to you to help one side or the other. Before making your decision, you must resolve issues on both sides of the conflict and figure out why they're fighting. A gourmet journey: Explore a vast and varied world to enjoy all the unique locations: the Ultima world is bigger than ever, filled with charming towns and unique dungeons to find. See it all: Ultima IX offers a large and beautiful overworld map to explore. Nearly every location has its own story, with special sidequests and locations only accessible to those with certain attributes. Create, customize, and trade items: Use items to level up your characters, customize your equipment, and craft powerful weapons and armor. Buy Alone, in the world, exploring. That's what makes life worth living. (This is an entirely platitude statement. I'm not saying anything about life itself.) However, in video games, exploring means a trip to another place. Usually
