There will be 4 keynotes and an array of sessions on the topics of communication, working as an artist and business engagement and monetisation, plus more. We are partnering with the Forum in order to provide you all with an up-to-date toolkit and resources. From 16 – 18th September 2017, the Czech Renaissance Festival will be returning to the Standard Hotel in Woking, Surrey. Richard, Arwen and I have teamed up with three further finalists of Sounds of the Soul – ABA's World Cup of Soul – to represent ABA in a beautiful Czech festival led by the lovely Teodora Plãiciovãi. We will continue to add to our events calendar and share new opportunities with the world as well as developing your monthly email newsletter to keep you up to date on all things ABA!The present invention is directed to an engine drive unit for a vehicle, which engine drive unit comprises a housing whose interior is accessible by a combustion chamber, and whose exterior is accessible by drive, power and exhaust or charging air chambers, and a two-stroke or single-stroke piston which is supported by means of a piston rod in the combustion chamber and coupled with a crankshaft by means of a torsion spring. An O-ring seal is provided between the outer wall of the piston and the housing. Engine drive units of this type, whose pistons are coupled by means of a torsion spring to a crankshaft or a rod, are well known, for example from U.S. Pat. No. 3,889,745. As is known to the art, the piston rod and the crankshaft usually run parallel to one another and are aligned with a longitudinal axis of the cylinder in the direction of travel of the vehicle.
