up an email from my cousin this morning, which was a link to the following short video on YouTube. The video, which you can view below, shows Ian McEwan's final interview, in which he talks about his experiences as a father, and the eventual demise of his marriage to Siri Hustvedt. He is asked, "What are your thoughts on fatherhood?" His replies are straightforward and forthright, very much the sort of things you might expect from McEwan. Fair play to him for facing up to a tough subject like this, and having the courage to make it look so easy, and also to his daughter, who was widely anticipated to

be one of the subjects of the conversation. It would be interesting to know which of the two, if any of the children, took the question the hardest. McEwan is nearing the end of what is likely to be a lengthy and illustrious writing career, so perhaps he did the interview simply because he thinks it's time. He might also have been waiting for the perfect moment, because they were only two weeks away from his new novel's publication. The final chapter of the *How Beautiful You Are is The End* at the end of this month. I, and many others, have been reading it with the express intention of finding out what
