Episode Guide: The Simpsons Season. Synopsis Yearlong directory listing for 2015 Alas, summer is on the way out. The camp-y spree has worn off and another year is about to begin, while at the same time we have to somehow face the knowledge that fall is on the way, which often feels like the coming of an irreversible winter. And so, the time has come to ask: what will we be up to in 2015? Every year, we spend several months decoding the individual elements that make up the year's cultural landscape. We examine the arts, festivals, music, literature, film, architecture, fashion and design, design as an activity, television, and much more. And while each year's micro-diverse environment shapes how we see the future, we at Voer always aim to get a better sense of the big picture. There are no surprise winners or notable new names. It's all much more subtle, like tracking water going through the cracks of a rock. (Read on for more on the new developments.) So instead, we'll be looking at things that aren't the biggest and most banal, but nonetheless interesting and meaningful. We'll start the year with a few items in the news, but be sure to return to the site throughout the year to find out how the trends will continue—and what shifts may have happened in the interim. These may not all be your particular favorite stories from the year, nor do they represent the whole of the country's artistic life, but they will tell you a bit about what was happening and what to expect in 2015. The site underwent a few tweaks in 2014, but not a lot. What we're working on now is more geared toward the best of the best. We 6d1f23a050
