RerunÂ .Realizing Valuable Digital Camera and Scanner Items Could not find a more relevant place to show my photo of the day, where I scored these two items on Ebay last weekend. They were picked up by a friend and I am now trying to find a good home for them so they will not get lost in the move. If anyone is interested in these or is looking to score some cool items, let me know. I have not used them myself, so I have not checked out their features. It would be great to have some with long reviews so people could see if they are suitable for their preferred profession. I especially like the Soft 941 and the Cirrus for the early work I did with Family Foto, and the 6d1f23a050
